

Western Region Odyssey of the Mind

Hall of Fame

Three years ago, I had a major crash on my computer and lost all of my Odyssey of the Mind documents. I no longer have the records for any of these awards prior to 2006. If you know of any award recipients prior to 2006, please send me the information by email to barbaraparris@verizon.net. I would really like to be able to post a more complete listing for all of the awards. Thank you for any assistance you can provide.
